Please note: Your account must be up to date before we can set up a Direct Debit for you. Until your Direct Debit has been set up you must continue to pay your minimum payment by the due date, using an alternative method of payment. If you only make the minimum payment each month, it will take longer and cost you more to clear your balance. If you are unable to pay the minimum payment please contact us on 0333 777 8664\*
