

THE SIMPLE WAY TO PAY

SIMPLE...

The payment will be requested from your bank account each month. Simply choose to pay the Minimum Monthly Payment, the full balance or a fixed amount each month – whichever suits you. Once your Direct Debit is set up, we request this amount from your bank regardless of any other additional payments you may make on your account.

If you have chosen to pay the Minimum Monthly Payment and you reduce the balance of your account to below the Minimum Monthly Payment, we will only take the balance on the account. If you have chosen to pay a fixed amount each month, and your account balance drops to less than the fixed amount stated we will only take the balance on the account. If the Minimum Monthly Payment on your statement is higher than the fixed amount, we will take the Minimum Monthly Payment to prevent you falling into arrears.

SAFE...

We will set up your Direct Debit and send you confirmation. You will receive your statement as normal, but this will be for information only.

Please note: If you only make the Minimum Monthly Payment, it will take longer and cost more to repay the balance. We recommend you pay as much as you can sensibly afford each month.
